REGISTRY:	CHATILIAN					SIZE:	5
CLASS	MINDSLAYER			TYPE:	SCOUT		

Chatilian: Chatilians are able to use their psionic powers without focus crystals while onboard a Chatilian made vessel.

In addition, the ship's design facilitates "long-distance" telepathy between the Chatilian crew.

That means the Chatilian crew can communicate to each other using their telepathy, regardless of their location on the vessel.

It also means, that if one Chatilian knows where you are, they all know where you are.
