

# The Adventure's of The Koraki

**FIVE PARSECS  
FROM HOME.....**

# Episode 1: Welcome to Echov

Echov is an industrial planet located in the Drekha sector. The sky's are choked with thick clouds and acid rain falls constantly.

Fancy, see if you can find us some work. The rest of you go explore the port but be back here in 4 hours. And Mugs, stay out of trouble.

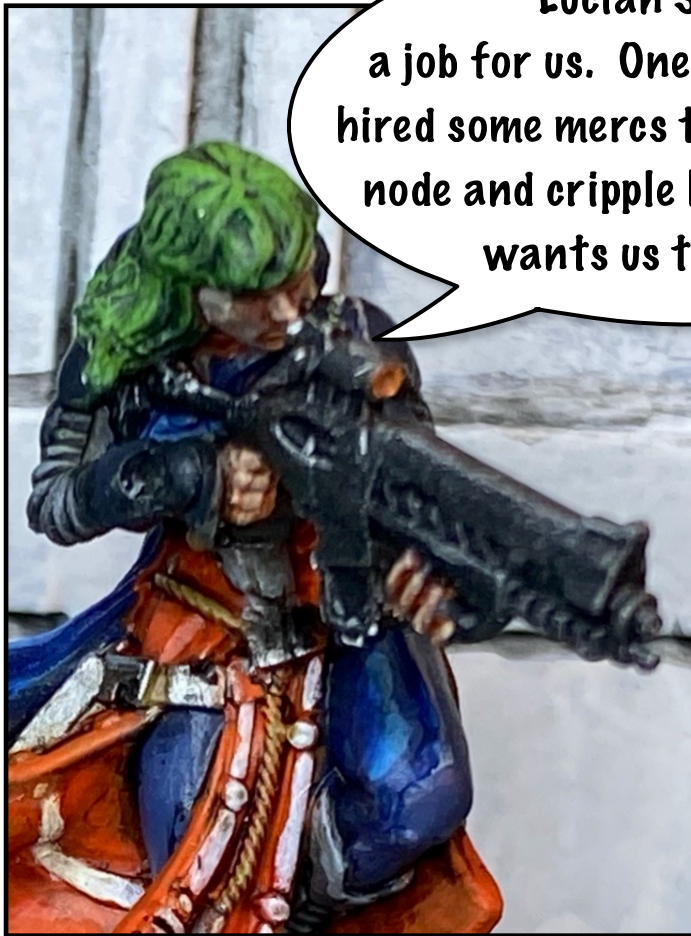

Captain "Red"  
Rafael March

"Fancy" Bai  
Xei 1st Mate

You got it  
Red.

Lucian Sanz has a job for us. One of his rivals has hired some mercs to destroy a power node and cripple his operation. He wants us to secure it.

Let's go make some credits!

"Mugs" Malluc Stalls, scrounger

The objective.

Should be relatively easy.

**Opposition is a trio of Iron Jackals**

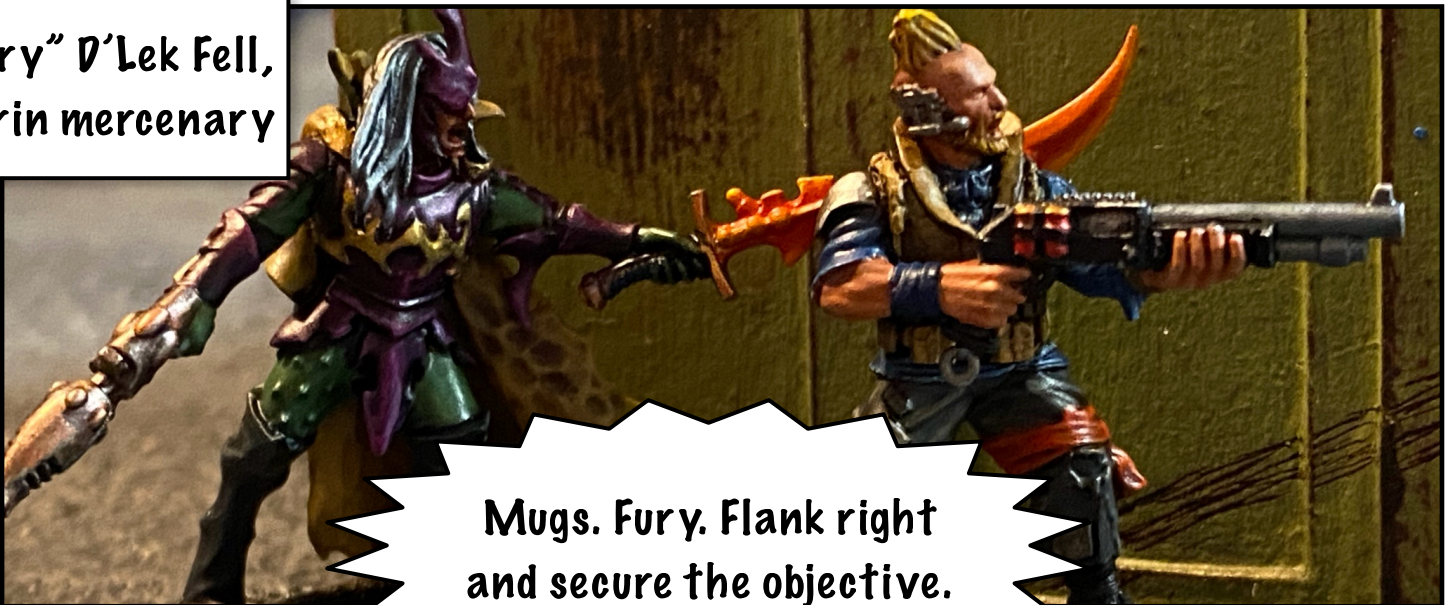

**Angel. Crow.  
Cover the left.**

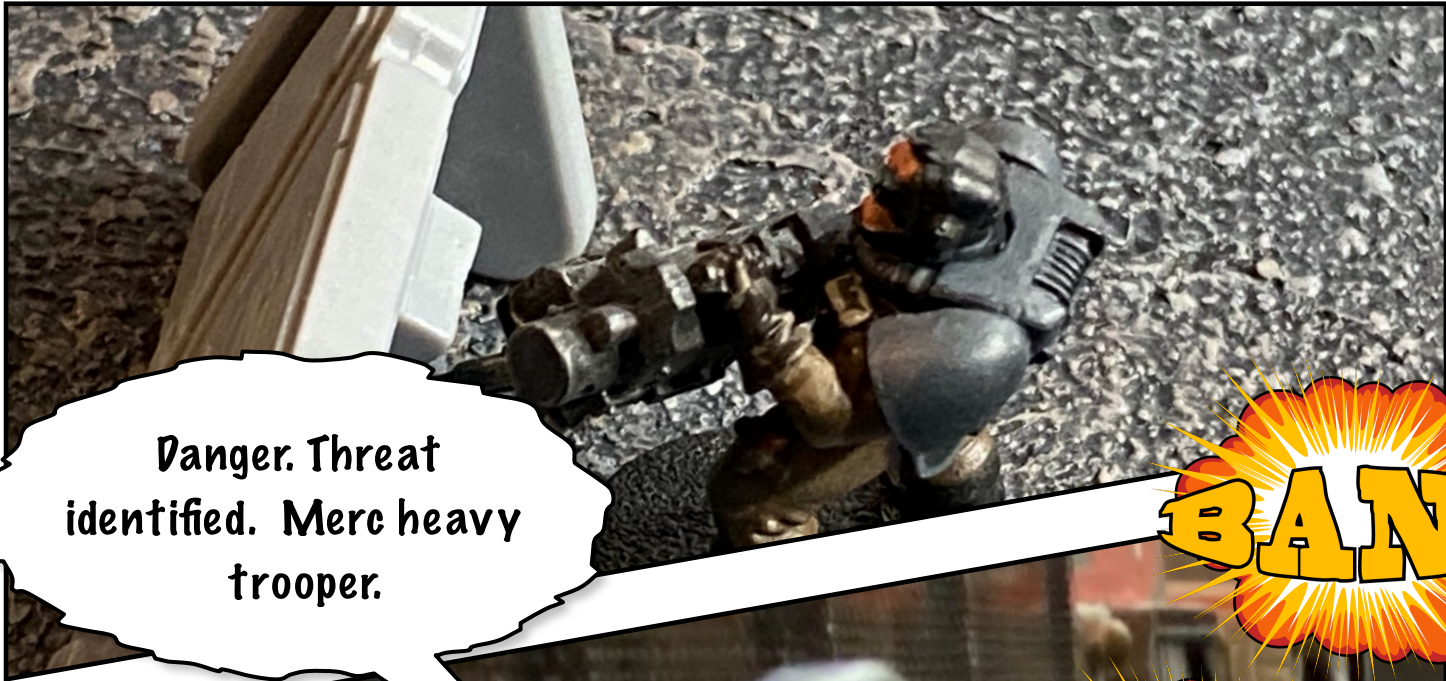

**Fancy and I will  
take the right.**

**"Fury" D'Lek Fell,  
K'Erin mercenary**

**Mugs. Fury. Flank right  
and secure the objective.**

Danger. Threat identified. Merc heavy trooper.

**BANG**

Angel HS-4, combat drone

**BANG**

**KIA**

Mugs. Fury.  
There's one moving to flank you.

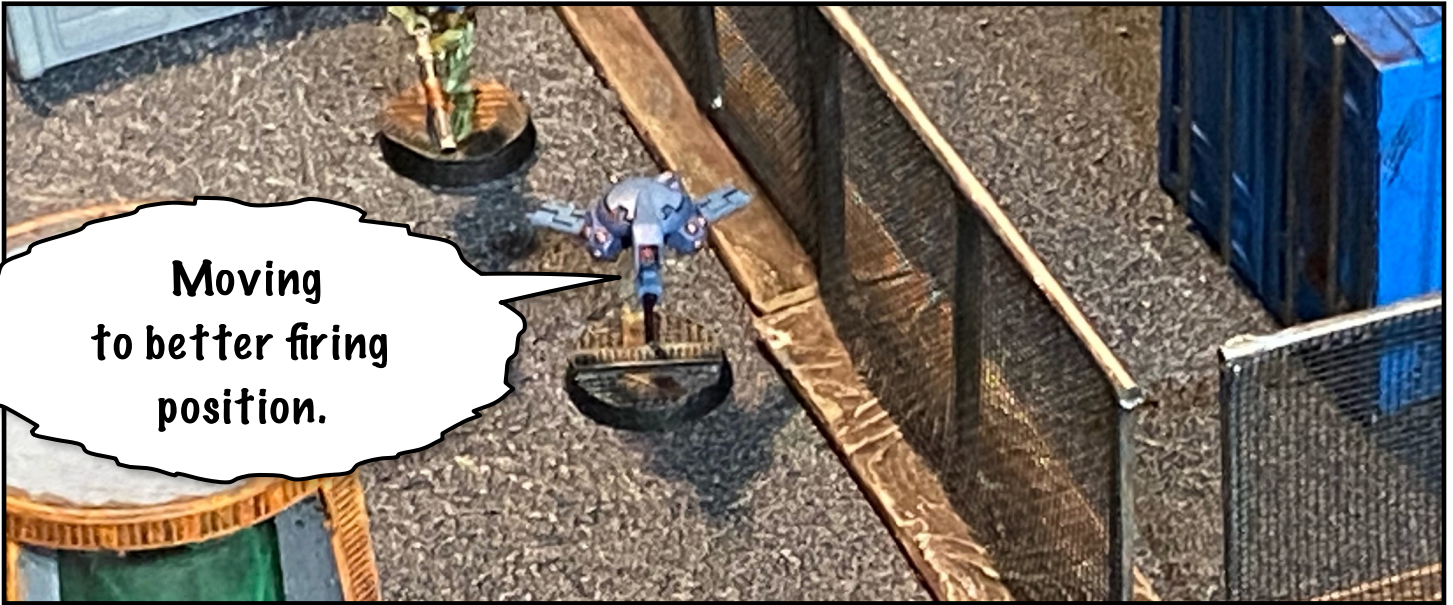

Objective in view.  
Moving to secure.

The darkness encroaches.

Moving. Give us some cover fire!

Moving  
to better firing  
position.

ZAPP

off!

CLANG!

BANG!

BANG!

Threat  
still active.

**BANG**

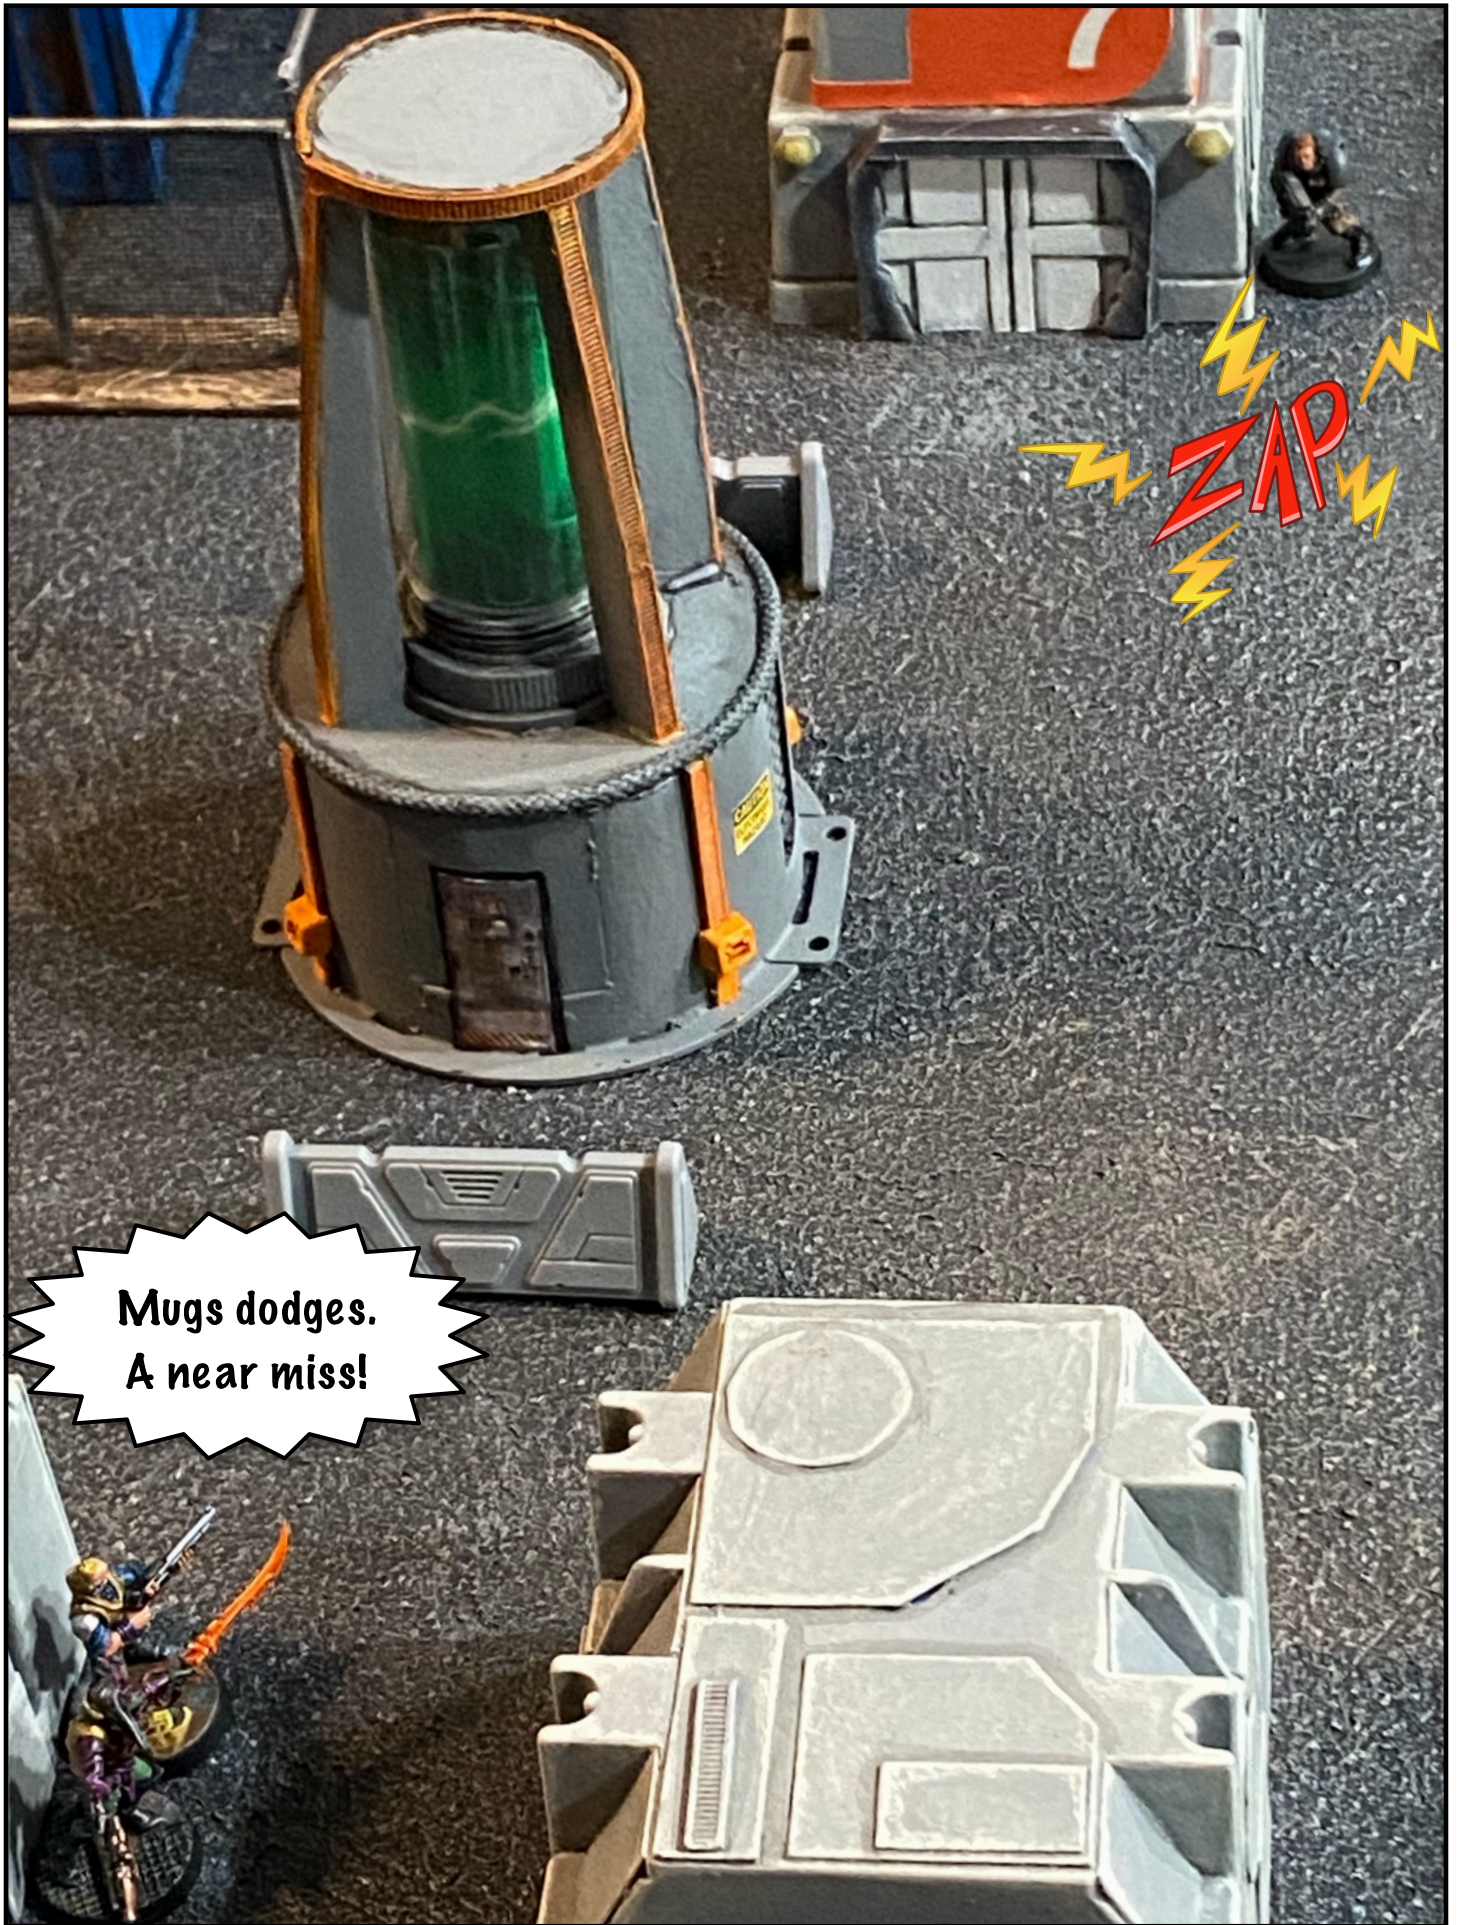

Crow, Feral  
nomad

Screech! Kroow'ex.  
Wuoraxx!

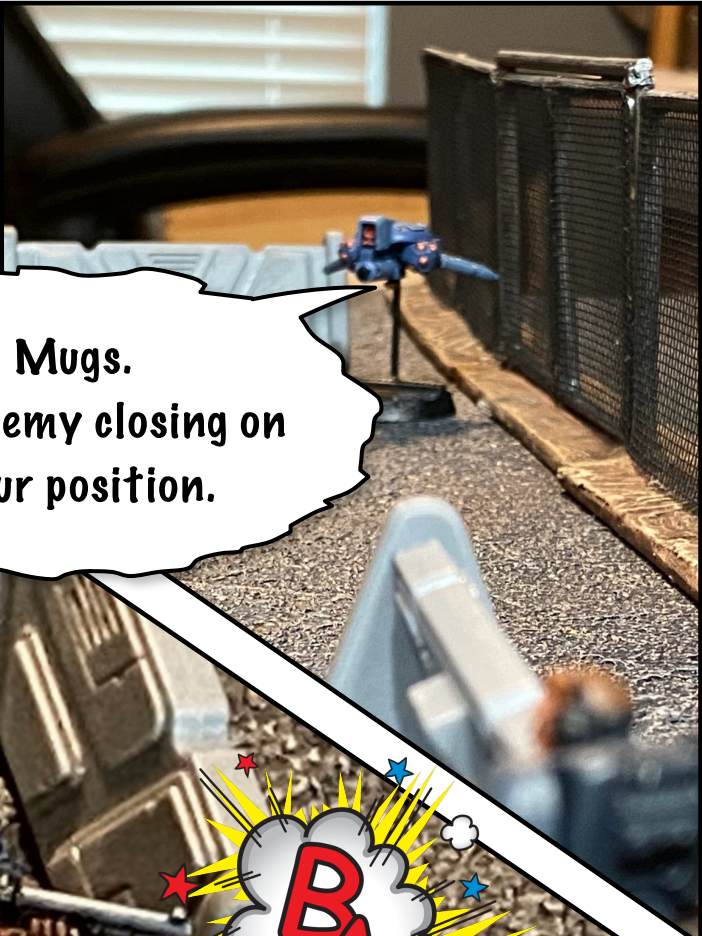

**ZAP**

**Mugs dodges.  
A near miss!**

We've reached  
the objective.

Mugs.  
Fury. Enemy closing on  
your position.

Die merc  
scum!

CAUTION  
ELECTRICAL  
HAZARD

I am the  
darkness. My  
blade is the  
light.

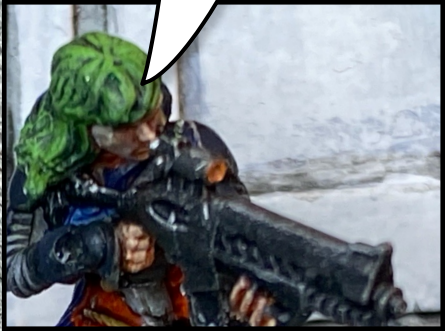

CLANG!

!!?+-

Objective secure Red.  
Lucian sends his thanks. And  
the credits.

Nice work crew. I think  
we've earned a drink.

Captain. I will run  
diagnostics on the hyper  
blaster we found. It will be  
a definite upgrade.

I must calm  
my inner rage.
