## Locations

Useful location maps for the [http://316carnage.com/2009/10/21/campaign-rules-by-madcow/campaign\\_system](http://316carnage.com/2009/10/21/campaign-rules-by-madcow/campaign_system) by MadCow. Or if you just want a printout you can point at in play. Shamelessly stolen from various variant Diplomacy maps found on the web, and then modified in photoshop.

- [Fantasy Planets](#) - for fantasy variants of the game (Conan, Warhammer etc)
- [Science Fiction Planets](#) - for the basic game and Starwars etc..
  - [Galactic maps](#)
- [Original maps](#) - for the completists amongst you who want to try your own modifications.
