Puzzles on around the ballroom see the map of the [Ball](#)

Getting into the Ballroom

Problem: Kewl crash lands in the garden grounds, there is no way out but through the ballroom - the servants will not let Simon in the way he is dressed

Solution: Take the clothing of one of the guests.

1. A couple wanders the grounds as a romantic liaison
2. Find the woman's earring (near the crash site) which the couple occasionally mention as a hint.
3. Toss the earring into the fountain (where the couple pause - the woman thinks she sees the earring in the fountain briefly, once, as a hint)
4. When the couple fall into the fountain, zap the water
5. Remove the clothing from the man and wear it
6. Discover that the water shorts out the Technomage Robe - hint for stopping Jack

Complications: Zapping either of them damages their clothing, they both need to be zapped. The couple are moving and may spot Simon
