

1960s

Archibald of Gorrillatopia is in West Germany for a nuclear conference. Mr White is an active agent for an intelligence agency Herr (Dietrich) Blitzman is said to be there - Mr White keeps watch on the American Embassy Mr White also hears there is a defector likely to be there Russian defector is colonel in military Archie is in a wing in the British embassy Finnegan is on a watch list for the USA as a possible subversive The Century Club was hounded out of America as un-American and is now based in Vienna Max Silver is still based in the USA and a possible subversive watch list Archie has a dinner with Finnegan and Alec Sally Silver left a message for Finnegan at his hotel about possibly doing some Century business

Ravi notices how many military folk around as a premonition Alec keeps having vivid memories of the Murder Colonels

There is a massive explosion at the Wall at night White goes to investigate Finnegan sees it appears to be a dud missile hit White thinks it's a distraction and spots Blitzman in the crowd. Informing Finnegan, they both start following him.

Alec if following a tall man Ravi tries to work out who is following what and why

Blitzmen is sending folk off to investigate - American agents White tries to avoid them

Alec ends up near the wall and sees two people coming over the wall - a woman in a colonel uniform and a older man in an overcoat She says a code phrase that Alec luckily answers Finnegan catches up to them and recognises her as Rocket Red - Natalia Ruvenko The man is Jackson Jet Black

Finnegan takes them to his hotel and leaves Alec there with them Someone was following Finnegan - who gets him to go back with him to the house Alec attacks him as he goes through the door. Punching him in the chest does nothing but reveal its hairiness The gorilla smacks Alec across the room

A representative of Gorillatopia offers Ravi a high position in the Gorrillatopian government while he's in Berlin There is a chimp in a suit at Ravi's door

White heads to Finnegan's - he's not there so he goes o Alec's

The gorilla at Alec's offers Natalia an asylum in Gorillatopia. It turns out he's Khaan's son Ravi turns up with a Chimp. They have drinks Mr White turns up

George's contact has detected unusual energy readings coming from Russia George regarded as possible communist subversive by UK government There are a number of energy beings wandering around Berlin that George notices. Different from the ones she encountered before and from different nations. The beings are trying to pick up traces of resonant energy

George hears about the explosion, rushes down, sees folk and decides to follow Finnegan An energy being attacks another and removes it from its host George looks after the now mad host to safety, hence is late to the meetup with everyone at Alec's

George is updated by folk and she updates folk on the energy beings

Jet Black and Red's briefcase were exposed to unusual energies The lights go out The gorilla carries Alec - Red carries Black

The group head out the back door - there is a man in a black suit and black hat who raises a hand ready to do lightning. George hits him with her bag Finnegan zaps him and the energy being goes. the body collapses

The group heads out - White takes point

About 5 animated corpses are avoided by the group as they travel

Finnegan has an idea about possibly using the Marconi Device

The group reaches the English embassy and signs in. Everyone goes to the Gorillatopia rooms. Ravi meets the gorilla secretary The Gorillas are overwhelmed with the celebrities and pass round mangoes White assigns German assets to keep tabs on the Energy Beings - a report to be put at the dropbox in the park Red asks if a chimp can retrieve the pieces of her jetpack that was used to explode on the wall Ravi diplomatically calms the Americans and Russians

Some time passes The ex-energy mental patient is moved to George's care at the British embassy
