

Sister Gwyneth Mallorie

If it weren't for those sinners out there, the world would be a jolly good place, wouldn't it? But what goes around comes around, and if someone is naughty it always comes back to haunt them when they least expect it. Occasionally you have found it necessary to remind folk of the straight and narrow, in a friendly way of course. You don't like it when imminent eternal damnation in the firey pits of hell upsets people and makes them depressed.
