STARTING MOVES

Don't Panic (WIS)

When you try to keep your cool in a heated situation, roll +WIS. *On a 10+, you keep cool and shake off all tension. You lose the Panicked tag if you have it, and you are no longer Shaky or Stunned. *On a 7-9, you mostly stayed composed, but you are barely holding it together. You get the Panicked tag. *On a 6 or less, you completely lose it. You get the Panicked tag and you do one irrational thing of the GM's choice.

Choose two of these four to start with:

Flurry Of Blades When you Hack And Slash, you can choose to have your roll to hit up to three people all within range of your weapon If you do, you don't add your STR to the roll. If the enemy would damage you during this attack, all of the targets you hit damage you. **Spray And Pray** When you Volley, you can choose to have your roll to hit up to three people all within range of your weapon. If you do, you don't add your

DEX to the roll. If the enemy would damage you during this attack, all of the targets you hit damage you. If you choose to reduce ammo, you must reduce it by 1 for each enemy you

Shield Basher

All shields you carry get the follow tags: Hand, Forceful, Awkward and the +n Damage tag equal to its +n Armor value.

Survivor

When you heal damage, you add your CON to the amount healed.

When you come face to face with an enemy that has the Terrifying tag, you may choose to frantic lash out at the creature. You get the Panicked tag and you deal your damage to it.

It Couldn't Get Any Worse

When you say something that will invite worse to come, roll 2d6. *On a 10+ Surprisingly, nothing gets worse. Filled with new determination you Hold 3. You can spend this Hold at any time to tell the GM what bit of good luck you and your companions benefit from. At the end of the session, any unspent Hold is lost. *On a 7-9, Things get worse. As above, but you only Hold 1 and the GM gets to say something awful that happens to you and your companions. *On a 6 or less, all of hell breaks loose and the GM can name up to three very terrible things that happens.

It's All I Have Left

Locket Of Goodwill (wh	nen y	you get	Karma	from
What Comes Around,	you	gain	1 addi	tional
Karma, 1 weight)				

Wand Of Qi (to use this item you must make Don't Panic roll- in addition to whatever the move says, on a roll of 7+ one unattended item you can see turns into a wild animal of the GM's choice, 1 weight)

Bundle Of Smoke Bombs (10 uses, smoke
surrounds an area, providing cover to a small area
that counts as giving +1 Armor against all range
attacks, smoke from these bonds only last about
five minutes, 3 weight)

Panicked: Whoever has this tag becomes hysterical and will act irrationally. In addition, when you get this tag, you must become either Shaky or Stunned.

Bang: Firing this weapon makes stealth impossible and

could alert enemies to your presence. A weapon with this tag uses a pouch of bullets for ammunition.

Watching The Locals

three questions about the locals.

When you spend more than a day in a civilized settlement, you can ask the GM any

When	you gain a level from 2-10, you may choose from	these mo	ves.
	Legs Of A Coward When you run away from something, you can get the <i>Panicked</i> tag. If you do, you run twice as fast as any other member of your race, easily escaping danger and losing any pursuers.		Franticly Flail About When you would take damage, you can reduce the damage dealt by 2d6. If you do, you gain the <i>Panicked</i> tag. You can't choose to reduce damage while you have the <i>Panicked</i> tag.
	Cowards Live Another Day When you hide behind cover, the amount of Armor you would get from the cover is increased by 1. Sorrowful Eyes When you meet someone for the first time, they'll take pity on you and will shower you in acts of simple kindness until you betray them.		What Comes Around Whenever you go out of your way to do something good at a cost, you get Karma 1. When you go out of your way to do something terrible, the GM gets Karma 1. You can spend a Karma to get a +1 forward to your next It Couldn't Get Any Worse roll. The GM can spend a Karma to give you a -1 forward to your next It Couldn't Get Any Worse roll. If
	A Whole World Of Suffering		you have the Old Photograph , you get 2 Karma instead of 1 when you do good.
	When you see others suffer needlessly, you get a +1 forward. I'm Not Dying Here When you drop to half your health or less, you can get the <i>Panicked</i> tag to get a +1		Sympatric To Suffering When someone tells you their sob story, you make a Bond with them. So long as you have a Bond with them, they will help you out in any way they can so long as you return the favor.
	ongoing to all Last Breath rolls until you get to safety. You cannot choose to do this if you already have the <i>Panicked</i> tag.		Something Precious Get one move from any class. Treat your level as one higher for choosing the move. You can
	Panicked Assault When you deal damage, you can choose to go all out on your enemy. Roll two additional damage dice and add the lowest result to the highest result to use for your damage. If you do, you get the Panicked tag. You can't use this move while you have the Panicked tag.		only choose a move that mentions a Family Heirloom in its effect. Quick Quick Quick Quick When you have to take time to reload a weapon, you can get the Panicked tag and ignore the Reload tag.
	Gotta Stay Cool When you get the <i>Panicked</i> tag by any means that isn't Don't Panic , you can instead roll for Don't Panic .		Multiclass Dabbler Get one move from another class. Treat your level as one lower for choosing the move.
Wher	you gain a level from 6-10, you may choose from	these mo	oves.
	Let's Get Out OF Here Requires: Legs Of A Coward When you run for your life, you can grab hold of someone and drag them along with you. Both you and the person you took with you escape safely without a scratch. Keep Your Head Low		Gods Above, Look Away For A Second Requires: What Comes Around Once per session when the GM would get Karma from What Comes Around, you can ask the gods to look away for a second. If you do, you get that Karma instead of the GM.
	Replaces: Cowards Live Another Day When you hide behind cover , the amount of Armor you would get from the cover is increased by 2.		Goes Around Requires: What Comes Around You can spend Karma from What Comes Around to instead have terrible luck strike someone opposing you or needlessly doing onto
	They Don't Know I'm Unstoppable (CON/WIS) When you absolutely have to succeeded at whatever objective is at hand, roll +CON or +WIS. You can only use this move once per session. *On a 10+, through the sheer power of will or through mind numbing endurance, you will beat back all odds. You heal all damage you have taken and you lose all debilities you have. Then choose one of the below options to apply. *On a 7-9, you force yourself to fight against the odds. You heal 2d10 and cure one		others. I've Done Work Here Before When you return to a place you have done work at before, you can choose any one option from Carouse to benefit from the entire time that you stay in the place. They Are Onto Us When someone finds out something you didn't want them to, you get the Panicked tag and the GM will give you two worthwhile
	debility of your choice. Then choose one of the following: • If you rolled +CON for this move, you ignore the effects of any poison or enchanted put on you until the objective is completed. • If you rolled +WIS for this move, you choose to lose any tags that are currently on you and you get a +1 ongoing to all non- Defy Danger rolls until the objective		alternatives to get out of this sticky situation. Motivated By Memories While you carry a Family Heirloom, no influence short of a god's direct will can contro you, influence your actions or turn you against others. If you have the Old Photograph, you may deal your damage to anyone who tries to manipulate you.

Multiclass Initiate

Get one move from another class. Treat your

level as one lower for choosing the move.
